We believe that true wellness begins with nature.
Inspired by the ancient wisdom of Chinese herbal healing.

Six meticulously developed herbal bath bombs, each infused with extracts from traditional Chinese medicinal herbs. Every bomb carries its own unique herbal fragrance and benefits, released through rich, foaming bubbles the moment it touches water.

Each formula transforms your bath into a calming ritual. As herbal essences infuse the air and water, feel a deep connection between your body and nature—bringing relaxation and nourishment to both body and mind.
